Doraemon is a robotic cat who travels back in time from the 22nd century to help a young boy named Nobita with various special gadgets from the future. One day, Nobita discovers an elasmosaurus's egg. When the egg hatches, he names it Pea-suke and nurtures it in a closet, but as it grows too big, the town slips into turmoil. Doraemon and Nobita decide to take Pea-suke back to the Cretaceous period 100 million years ago. While they are on the move in a time machine, they get chased by dinosaur hunters and they send Pea-suke by mistake not to Japan but to North America 100 million years ago, while their time machine breaks down and friends are caught by the hunters.

Miyori is an 11 year-old girl, who has a closed heart as she grows up under her parents' discord. Due to her mother leaving, she is forced to stay at her grandparents' house in a very rural village in Japan for a while. Though her father thinks that it will be better for her to stay in the natural surrounding rather than her urban home, Miyori becomes even more obstinate, thinking that she has been abandoned. One day, Miyori enters nearby woods and experiences mysterious phenomena by encountering the spirits of forest. The spirits tell her that she is chosen to become the guardian of village forest. Though unconfident in the beginning, Miyori gradually opens her mind. She learns to get along with her schoolmates and the spirits to fight against people who plan to destroy the forest by constructing a dam.
