SWING GIRLS

Running Time 105min, Release Year 2004

At a rural girls high school in northern Japan, remedial math classes are being held during the summer break. Looking for a way out, Tomoko and her classmates volunteer to deliver lunches to the school's brass band. The band, however, got food poisoned with the lunches. Tomoko and her companions seize the chance to ditch summer school as replacement musicians. They gradually succumb to the infectious rhythms of big band jazz and start to take the music seriously. Just as they are about to perform in public for the first time, the band members they replaced return and they are sidelined.
