

PCR Negative Certificate

In order to enter Japan now, you must bring the PCR negative certificate obtained within 72 hours before you leave Namibia (Please note that you may not be able to enter Japan if your certificate is incomplete).

【Example of a schedule for obtaining PCR negative certificate】

PCR Negative certificates must be created in Japanese format, and only NIP (Namibia Institute of Pathology) can issue them in Namibia.

Once you have decided your travel date, please ask the doctor to issue a referral note at a private hospital (Any private hospital is fine.) and make a reservation to NIP to take PCR tests according to the schedule above. When you make a reservation, just in case, please inform NIP that you will be travelling to Japan.

The contact information for booking PCR tests with NIP is as follows

→ NIP laboratory number (+264 61 256 822 or +264 61 295 4252/3)

Also, when your reservation of PCR tests is confirmed, please send the photo of your referral note to [【consul@wh.mofa.go.jp】](mailto:consul@wh.mofa.go.jp).
