

Courtesy call by Ambassador Nishimaki on Hon. Tom Alweendo Minister of Mines and Energy (01 February 2023)

2023/2/1

On 1 February 2023, Ambassador Nishimaki paid a courtesy visit to Hon. Tom Alweendo, Minister of Mines and Energy of the Republic of Namibia.

During the meeting, Ambassador briefed Hon. Alweendo on Japanese Official Development Assistance (ODA) to Namibia, particularly in the field of education and its contribution to the future of Namibia.

Both Hon. Alweendo and Ambassador Nishimaki are hopeful that “The Memorandum of Understanding” signed between the Ministry of Mines and Energy and JOGMEC (Japan Organization for Metals and Energy Security) in August last year will strengthen relations in the metal mineral resources and carbon neutral sectors as well as enhance future economic cooperation between Japan and Namibia.
