

H.E.Mr.Nishimaki visiting Neudamm Campus of University of Namibia (22 March 2023)

2023/3/22

On 30 May 2022, H.E. Mr. Nishimaki visited the Neudamm Campus, guided by Prof. Ndeyapo Nickanor, Executive Dean of Faculty of Agriculture and other university stuffs.

Neudamm Campus spreads over 10,187 hectares and is 30 kilometres east from Windhoek on the Hosea Kutako International Airport and Gobabis road. There are currently four hostels on campus, housing more than 200 students, mostly from the Faculty of Agriculture and Natural Resources. The campus also has a cattle and horse farm, and is active in vegetable production.

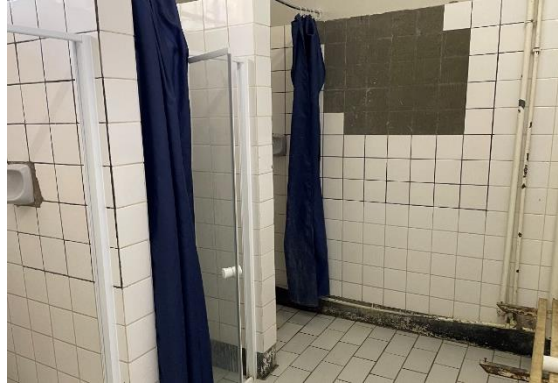

During the visit, H.E. Mr. Nishimaki toured the campus' laboratories, library, lecture rooms, student dormitories, cattle sheds and fields, guided by Prof. Nickanor.
