

Ambassador Nishimaki Visiting NAMCOR Terminal (12 May 2023)

2023/5/12

On 12 May 2023, Ambassador Nishimaki visited the NAMCOR terminal in the port city of Walvis Bay in the Erongo Region. Ambassador Nishimaki was shown around the terminal by Mr. Ellis Egumbo, Terminal Manager of NAMCOR.

Mr. Egumbo explained Ambassador the NAMCOR's commercial sector activities, its role of managing National Oil Storage Facility and Functions of the terminal facilities.

The terminal operates on 24 hour basis when offloading a vessel until it is done and they do loading of 60 trucks a day plus 14 rail tanks. There are four dedicated pipelines for diesel, ULP (Unleaded Petrol), JET and HFO (Heavy Fuel Oil used mostly by mines) which covers a total distance of 6.3km from the jetty to the terminal tank farm.
