

Ambassador Nishimaki's visit to JICA Overseas Cooperation Volunteer (JOCV) at Omaruru Circuit Office (January 29th, 2024)

2024/1/29

On January 29, 2024, Ambassador Nishimaki paid a visit to Mr. Daisuke Okuno, Mathematics Senior Education Officer at Omaruru Circuit Office. As a senior educational officer, Mr. Okuno supports primary and secondary school teachers in the Omaruru circuit by advising on how to improve teaching skills in mathematics, create teaching materials, and by helping teachers to conduct research on lessons, etc. Mr. Okuno explained to Ambassador Nishimaki the results of the analysis of the academic achievement tests he conducted for the local primary schools. Ambassador Nishimaki exchanged opinions on the results of the analysis with the other education officers in the circuit office, including Mr. Okuno.

Mr. Okuno (centre of photo) explains the results of the academic achievement test analysis.
