

Exchange opinion with the FAO Subregional Coordinator for Southern Africa (March 12th, 2024)

2024/03/12

On March 12, Ambassador Nishimaki exchanged opinion with Dr. Patrice Talla Takoukam, FAO Subregional Coordinator for Southern Africa, who is currently on mission in Namibia. Ambassador Nishimaki expressed his positive views on the project "Emergency response to mitigate multiple shocks and enhance resilient livelihoods in Namibia" that FAO is currently implementing in Namibia utilizing Japan's supplementary budget for FY2022 and expressed his high appreciation of FAO's efforts. Dr. Takoukam articulated how Japan is a key partner for the FAO and how FAO is committed to utilize the funds provided by the Japanese government effectively and to realize the expected results.
