

Joint Visit to Andara District Hospital by Ambassador Nishimaki and UNICEF Representative Mr. Ocran (March 21, 2024)

2024/03/21

On 21 March 2024, Ambassador Nishimaki paid a joint visit to Andara District Hospital in the Kavango East Region with UNICEF representative Mr. Samuel Kweku Ocran. The hospital is equipped with cold chain equipment that the Japanese government donated under the "Support for Cold Chain Strengthening in response to COVID-19 pandemic in Namibia" (grant amount: US\$1,600,000) in FY2022/2023. Ambassador Nishimaki and Mr. Ocran jointly visited the hospital to see how the equipment is being used. Ambassador Nishimaki validated the effective and efficient utilization of the cold chain equipment with Mr. Ocran.
