

FY2023 Japan Supplementary Budget Projects Launching Event (April 15th, 2024)

2024/04/15

On April 15, 2024, Ambassador Nishimaki attended the launch event of two new projects to be implemented by UN agencies under the FY2023 Japan Supplementary Budget. The projects are as follows.

1 “Emergency response to enhance resilience and mitigate climate-induced impacts on livelihoods, food and nutrition security of the most vulnerable households in Namibia”
(Implemented by FAO from March 2024 to March 2025, Grant Amount: USD 758,916)

2 “Increasing Access to Quality Nutrition and Protection Services for Vulnerable Populations including women and children in Omaheke, Khomas and Kunene Regions”
(Implemented by WHO from January 2024 to December 2024, Grant Amount: USD 500,000)
