

Ambassador Nishimaki' s visit to !Nara Primary School in Walvis Bay (August 8, 2024)

2024/8/8

On August 8, 2024, Ambassador Nishimaki visited !Nara Primary School in Walvis Bay, where a school building (Five Classrooms and Two Storages) was constructed under the FY2013 Grant Assistance for Grassroots Human Security Project: GGP and observed that the building is being utilized properly. Since 1997, the Japanese government has constructed approximately 300 classrooms and 30 classrooms are currently under construction all over Namibia under GGP.
