

Ambassador Nishimaki's attendance at the handover ceremony for the new school building at Ndadidi Primary School in Ohangwena Region (25th September 2024)

2024/9/25

On 25 September 2024, Ambassador Nishimaki attended the handover ceremony at Ndadi Primary School, Ohakafiya Circuit, Ohangwena Region where one new school building (with four classrooms and a storage) was constructed through the 2022 Grant Assistance for Grassroots Human Security Projects (GGP) and handed over the building to Minister of Education, Arts and Culture Hon. Ester Anna Nghipondoka on behalf of the Namibian Government. The construction of the new school building at Ndadi Primary School has enabled approximately 140 learners who previously studied in temporary classrooms made of corrugated iron and branches, to learn in a comfortable environment. The storage will also be used as a teachers' room, which will contribute to improving the efficiency of teachers' preparation of teaching materials and lessons.
