

Exchange views with UNICEF and the Media (25 October 2024)

2024/10/25

On 25 October 2024, Ambassador Nishimaki hosted UNICEF and media representatives at his residence. The same group visited Khorixas town in Kunene Region on 8 and 9 October 2024 to familiarize themselves with the circumstances of medical care at the district hospital and the remote area. During the meeting, there was discussion on issues in the public health in Namibia as well as the possibility of cooperation to address these issues.
