

Exchange of views with JICA Headquarters (19 November 2024)

2024/11/19

On 19 November 2024, Ambassador Nishimaki exchanged views in development cooperation in Namibia with Mr. Seiichi Ozaki, Executive Technical Advisor to the Director General, Infrastructure Management Department, JICA Headquarters and Mr. Koichiro Takahashi, Senior Engineering Officer (Railway) Team2, Transportation Group, Infrastructure Management Department, JICA Headquarters.

During the discussion, they exchanged information on various Japanese development assistance to Namibia.
