

## Ambassador Nishimaki's visit to "Be Free Campus" of One Economy Foundation (27 September 2024)

2024/09/27

On 27 September 2024, Ambassador Nishimai visited the "Be Free campus" of The One Economy Foundation, which Japanese government supported a fully-equipped mobile clinic and the Shoe Laundry Initiative under the United Nations Population Fund (UNFPA) in FY 2022 Japan Supplementary Budget Project "Leaving No One Behind - Building back better from COVID-19 : Restoring dignity and re-shaping the future for women, girls, men and boys while mitigating GBV and negative SRH outcomes" (Amount provided: US\$700,000). The project is a collaboration with One Economy Foundation to implement the project's activities that targets skills development for livelihoods, life skills training, Mental Health and Psychosocial Support, essential SRH and GBV prevention and response. The targeted primary beneficiaries are vulnerable adolescents and young people in general.
