On 28 April 2025, Mr. Kariya, Japanese Official Residence' s Chef held a cooking class at Moreson Special School, where JICA Volunteer Mr. Tomita works as a teacher. In this cooking class, learners tried making rolled sushi. For the learners, it was a valuable experience to prepare Japanese food by themselves and enjoy the food they cooked. During the lesson, Chef Kariya carefully taught the learners how to make rolled sushi step by step, and they enthusiastically engaged in the process.
