

Activity Briefing by JOCVs in Namibia (15 August 2025)

On 15 August 2025, Ambassador Asazuma hosted a JICA Oversee Cooperation Volunteers (JOVC) Activity briefing at the Ambassador's residence. A total of 11 JOCV members participated, including those currently serving in various regions of Namibia and those scheduled to be dispatched. Mr. Hoshino, Resident Representative of the JICA Namibia Office, and Ms. Takahashi, Deputy Representative of UNICEF Namibia, were also in attendance. During the briefing, the volunteers presented their activities, challenges, and achievements in the field. This was followed by a lively exchange of views, with questions and advice offered by Ambassador Asazuma, Mrs. Asazuma, and Ms. Takahashi. The session proved to be a meaningful opportunity for all participants and served as a source of encouragement for future activities.
