

Visit to Lüderitz Maritime Museum (30 October 2025)

On 30 October 2025, Ambassador Asazuma visited the Lüderitz Maritime Museum and handed over the Welwitschia Research Vessel RV Portrait. The vessel was donated by the Japanese Government in 1994 to the value of NAD 251,900,474 (JPY 1,427,000,000) for the purpose of assessing the fisheries resources within the Namibian Exclusive Economic Zone (EEZ) and study the oceanographic conditions in the Namibian section of the Benguela current. The vessel ceased its operations in 2015.
