

Ambassador Asazuma attends Keetmanshoop Investment Day and Deliver remarks (31 October 2025)

On 31 October 2025, Ambassador Asazuma, attended and delivered remarks at the Investment Day organized by Keetmanshoop Municipality. During his remarks on Japan–Namibia economic development cooperation and outlook on new opportunities, Ambassador introduced Japan’s cooperation through JICA in areas such as education and infrastructure development, the outcomes of TICAD9 that are relevant to Namibia, and the recent growing interest of Japanese companies to Namibia, particularly in the energy sector. He concluded by expressing his hope for the continuation and strengthening of the collaborative relationship.

The Ambassador’s attendance at this event was highly appreciated as a proof to the long-standing friendship between Namibia and Japan, a key partner in Namibia’s development, and a global leader in science and technology, economics, and international cooperation, as well as Namibia’s importance in the global economy.
