

## Exchange of views with KUMON (4 February 2026)

On 4 February 2026, Ambassador Asazuma received a courtesy visit from KUMON Institute of Education who are on business trip to Namibia. Ambassador Asazuma was briefed on the pilot project in the field of education that KUMON implemented in Namibia last year. According to the report, the primary school learners who participated in the project showed significant improvement in their mathematics skills. Furthermore, notable results were observed in their increased enjoyment of studying and reduced reluctance toward mathematics.
