

Participation in Windhoek International Festival (18 April 2026)

On 18 April, International Festival – Diplomatic Charity Bazaar 2026, we had a truly wonderful day, welcoming many visitors from around the world to our country, Japan. We hope this event will inspire you to visit Japan in the future.

On this special day, we offered a wide variety of Japanese foods, from sushi to yakitori, each dish representing the unique culture of our country. In addition, WIS Grade 7 students cheerfully shared Japanese culture by performing dances to famous anime music and hosting a Japanese-themed booth.

We sincerely thank everyone who joined us for this memorable festival, and we hope you enjoyed a truly wonderful time.
