

Exchange of views with UNICEF Namibia (9 July 2026)

On 9 July 2026, Ambassador Asazuma received a courtesy call from a UNICEF Namibia delegation led by Mr. Samuel Ocran, UNICEF Representative and Ms. Toshiko Takashi UNICEF Deputy Representative.

Ambassador Asazuma and UNICEF Delegation discussed the project currently being implemented by UNICEF with funding from the Japanese Government titled “Strengthening health system and community capacity to reduce incidence, impact and severity of public health emergencies in the affected communities in Namibia” (Grant amount: USD 753,333). The Japanese Embassy and UNICEF are preparing for a joint field visit next week to Khorixas in Kunene Region, one of the project’s target regions.
